

America's History & Legacy of Violence

Third Thursday Webinar Series

Resources:

- This is a working document for scaffolding anti-racism resources. The goal is to facilitate growth for white folks to become allies, and eventually accomplices for anti-racist work: Click [here](#).
- Catalyst Project helps to build powerful multiracial movements that can win collective liberation. In the service of this vision, we organize, train and mentor white people to take collective action to end racism, war and empire, and to support efforts to build power in working-class communities of color: Click [here](#).
