STATEMENT OF UNDERSTANDING

I understand after receiving this application, the Division of Victim Services Compensation Program staff will investigate the accuracy and truthfulness of the information given on this form and any other necessary matters regarding this claim, and I consent to such investigation.

I understand the Division may release records in their control, and seek records from other agencies, in connection with my claim relating to any compensation awarded to me or paid on my behalf. This includes, but is not limited to, the prosecuting attorney's office, probation and parole, and other parts of the federal or state court system, as they seek restitution from the defendant.

I understand I am required, and I hereby agree, to notify the Division if I hire an attorney to represent me in a lawsuit related to the crime that led me to file this application. I also agree to notify the Division if the offender offers to reimburse me for my losses.

I understand the Division is the payer of last resort. It is my responsibility to make sure all other forms of payment have been exhausted. If other forms of payment become available during the processing of the application, I will notify the Division. Otherwise, failure to provide this information may jeopardize my eligibility for compensation.

I understand based on W.S. 14-3-205, the Division of Victim Services is required to report suspected child abuse to the proper authorities.

ASSIGNMENT OF BENEFITS (DIRECT PAYMENT TO SERVICE PROVIDERS)

From any award made by the Division of Victim Services Compensation Program, I give permission to the Division to pay any applicable unpaid bills directly to the appropriate parties.

AGREEMENT OF VICTIM/CLAIMANT

I hereby agree to repay the Division of Victim Services the amount of the award, or as much as recovered, if I recover payment from the person or persons responsible for the injuries for which I am seeking compensation, as outlined by Wyoming Statute 1-40-112(a). I understand this includes repaying the Division if I recover any amount from the offender, his/her insurance company, his/her employer's insurance company, or any other entity who is paying on behalf of the offender for the damages sustained by me due to the crime described in this application.

AUTHORIZATION TO OBTAIN RECORDS, RELEASE OF INFORMATION, AND TO CONDUCT AN INVESTIGATION TO REVIEW AND EVALUATE MY CLAIM

I give permission to any hospital, doctor, federal, state, or local law enforcement agency, insurance agency/company, employer, social service agency, or any federal, state or local government agency, including the Social Security Administration, and privately retained attorneys to release all records, to answer any questions, and to provide any information to assist the Division in processing this compensation claim. I also give my consent to the Division to exercise its own discretion in releasing or withholding information regarding my crime-related losses to any person or entity responsible for submitting restitution requests to the court. I understand this information will be confined to an itemization of my crime-related monetary losses, in so far as the Division is aware of them. I agree the Division may release information regardless of whether I have received a compensation award. I understand this information will be released only for the purpose of obtaining an order of restitution from the defendant(s) or for determining eligibility for compensation. Furthermore, I understand this release form which I have signed in no way obligates the Division to release information, to gather and present more information than it already possesses, to pursue an order of restitution on my behalf or to pursue collection of restitution on my behalf. I understand the issue of restitution collection rests solely with the court system and not with the Division.

I also understand the limitations of this agreement in no way limits the Division's ability to pursue its own revenue recovery to the extent it provides me with compensation benefits.

This authorization is valid for two years from the date given below. A photo copy of this authorization is as effective and valid as the original.

I certify under penalty of perjury and subject to the provisions of W.S. § 1-40-102 through 119 and its penalties, the foregoing claim is true and a just record of expenses incurred by me as a result of the crime against me. I further certify under penalty of perjury I have read and understand the statements above including the "Statement of Understanding" and "Agreement of Victim/Claimant" and I agree to them. **(Should be signed by victim 18 years or older, an emancipated minor, or their parent or guardian.)**
